Touchstone Books, United States, 2013. Paperback. Book Condition: New. Reprint. 202 x 132 mm. Language: English . Brand New Book. This instant New York Times bestseller offers a withering view of life on Wall Street from the perspective of an unhappy insider who is too hooked on the money to find a way out, even as his career is ruining his marriage and corroding his soul. It s 2005. Nick Farmer is a thirty-five-year-old bond trader with Bear Stearns clearing seven figures a year. The novelty of a work-related nightlife centering on liquor, hookers, and cocaine has long since worn thin, though Nick remains keenly addicted to his annual bonus. But the lifestyle is taking a toll on his marriage--and on him. When a nerdy analyst approaches him with apocalyptic prognostications of where Bear s high-flying mortgage-backed securities trading may lead, Nick is presented with the kind of ethical dilemma he s spent a lifetime avoiding. Throw in a hot financial journalist who seems to be more interested in him than in the percolating financial Armageddon and the prospect that his own wife may have found a new romantic interest of her own, and you have the recipe for Nick s personal and professional implosion. By turns hilarious and harrowing, Ghosts of Manhattan follows a winning but flawed protagonist as he struggles to find the right path in a complicated urban heart of darkness.
