POWER AND NURSING PRACTICE (SOCIOLOGY AND NURSING PRACTICE)

Palgrave Macmillan, UK, 1999. Softcover. Book Condition: New. First Edition. Available Now. Book Description: Nursing is not a powerful profession yet nurses can have considerable power over those they care for. In a changing health service, power relationships between different professionals and clients may undergo significant changes. To empower either themselves or their clients, nurses must be able to understand the dynamics and nature of power relationships within society.: Taking a sociological perspective, this book introduces readers to methods of...

Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
