Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Brick Buy Brick - Book Nine: Buying Property at Auction, Tigrent Learning UK Limited, The modern day, no-nonsense guide to property investing. The ninth in the revolutionary 'Brick Buy Brick' series of books in association with Tigrent Learning UK Limited, Buying Property at Auction provides aspirational investors with a detailed explanation of how their lives can change with education, motivation and action. Moreover, it is written in a way that is accessible to all. The book shares insights into the often misunderstood world of property investing and how all of us are able to make money from property, both in and out of a recession. Without the plague of non-essential jargon that is often found in similar books, it opens up the doors for readers who are not as well-versed in the subject, allowing them to see that they have a chance at being just as successful as those who are. This book in the series looks at purchasing property at auction. It details what sort of properties are sold, how the investor can finance that purchase, the legal framework, strategies for achieving the right results and a process for dealing with this type of property. Auctions can provide a great source of good investment stock for properties, but strict rules mean the approach to an auction property is different to other property purchases. 'Brick Buy Brick' is a series of books that form the definitive guide to general and specific property investing strategies that are used by professional property investors, on a daily basis.
