Certainly no city in America can boast of a history more rich in deeds of valor and devotion to principle, to more determined conflicts between armed forces, productive of the grandest results. Every street and plaza, almost every foot of ground within the city limits, embracing a territory of thirty-six square miles, marks the grave of a hero, friend or foe, and has been closely contested for by rival armies, won and rewon, conquered and reconquered many times. Such a history is one to be proud of, and with almost every stone baptized in human blood, shed in the defence of liberty, with its sacred Alamo, and the ashes of its heroes blown by every breeze to and fro about the site of the terrible holocaust which concluded the sacrifice, the thoughts of visitors naturally turn to the romance of the past. But San Antonio has a present, and, we believe, will have a future as marked and distinctive as its past, notable as it has been. Situated in a charming valley or basin, surrounded by hills and at the head of the beautiful little river which bears its name, yet at an elevation of about six hundred feet above the Gulf of Mexico, with rich mines and quarries near by...
