Brand New Book ***** Print on Demand *****.Excerpt from An Illustrated Monograph on Oxyhaemoglobin, Vol. 1: Allied Products This monograph emanates from our Scientific Department and is in no sense of the term an advertisement. Inasmuch as we have no exclusive control of the manufacture and sale of any article herein mentioned, and as the treatise is solely designed to advance the science of medicine and allied beneficent arts, we believe that the most enthusiastic altruist can take no exception to it. A word of explanation regarding our Scientific Department. We organized it upon the theory that, pharmacy being a branch of medical science and practice, the standing of the manufacturing pharmacist, like that of the physician, should be gauged rather by his contributions to science, than by the extent of his business. All commercial considerations have, therefore, been eliminated from this department, which we maintain solely for the gratuitous dissemination of knowledge by the publication of the investigations of modern scientists. It is, however, far from being a mere Bureau of Publication, in that the outside investigator is supplied with material for original laboratory or bedside experiments, and is, in special cases, remunerated for his labors. We make no false pretenses; we have a natural desire to augment the prestige of our house, and the conduct of this scientific work brings us into a frequent contact with leaders in medicine and pharmacy which necessarily encourages friendly relations and ultimately swells our list of patrons. Again - the discussion of the therapeutic value of drugs of which we, in common with other houses, place new preparations upon the market, increases the general demand and incidentally our own output. Before a remedy is introduced to...
