

Letter Sounds Save Their Soul Book 2 Direct Instruction - Secret to Reading Success for African American Children Bounce Sounds Volume 2

By Vanessa Peters

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 52 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Of all the teaching to read methods, Black childrens reading scores often excel national averages when first taught to read using Direct Instruction. Offering step-by-step illustrations, this reading primer series demonstrates a back to basics learning to read system called direct instruction which teaches readers how to attach meaning to letter sounds, as they learn to sound out words. The root or foundation sounds of the 26 letters of the alphabet are broken up into 4 primary categories and presented in great detail within the pages of Books 1 3. All other letter-sound possibilities are covered within advanced phonics (decoding) training and are available in Books 4 5. Book 2: BOUNCE LETTER SOUNDS Bounce sounds are 1-second sounds that bounce out of your mouth and create one quick sound. Think of holding these specific sounds for a 1-count beat. b . b . b . . If you attempt to hold or slide any of these specific 7 letters, youll end up unconsciously adding the slide letter sound u sound or making 2-sounds, instead of one isolated sound. b...
