Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The merchants of New-York, proud of the achievement of one of their own number, wished to do him honor. Accordingly the Chamber of Commerce appointed a committee to arrange for some suitable celebration of the final triumph of the Ocean Telegraph, which should also be a testimonial to its projector. After consultation, it was concluded that the best form it could take was that of a Public Banquet, as that would enable a large number of citizens to join in the demonstration, and in the congratulations of the hour.
