Wiley. Hardcover. Book Condition: New. Hardcover. 288 pages. Well written, witty, and wise. Jesse Larners book goes well beyond its brief: it helps us understand where the left has been going for the last few years, and where it might end up. Left, right, or in between, everyone has an opinion about Michael Moore. His books reside on bestseller lists, his films are unfailingly controversial, and his politics range far to the left of any elected official on the national scene. So why is he the only voice capable of bringing progressive issues and ideas to public awareness What message should the Democratic Party glean from his immense popularity What impact will Moore and his work have on the future...
