LAP Lambert Academic Publishing Feb 2016, 2016. Taschenbuch. Book Condition: Neu. 220x150x4 mm. Neuware - Present book comprises an interdisciplinary perspective, being the result of a research focused on free will in everyday life and its link to faith and religiosity. The concept of free will refers to capacity of choosing from alternatives or acting in given situations independently of external factors. Before the research itself, the idea originated from a personal interest, by practicing faith in everyday life, reading...
