Bibliogov, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The following collection of articles focus on U.S. joint, interagency, intergovernmental, and multinational (JIIM) activities, challenges, issues, and operations in the six U.S. geographic combatant commands (GCCs). Today, stability operations in Afghanistan and Iraq rightfully receive the lion's share of attention, priority, and media coverage. There are, however, many other challenges, potential dangers, and future threats in the other five GCCs that merit attention and continuous observation and evaluation. The GCCs operate in challenging and complex environments, tackling a vast array of JIIM challenges and issues each day. The intent of the Center for Army Lessons Learned (CALL) is to illustrate some of the current challenges in this newsletter and highlight operations at the strategic or theater levels. This newsletter contains three overview JIIM articles. The remaining articles highlight challenges or issues specific to one of the GCCs; several were written by the GCC commanders. These articles cover a wide range of issues with the specific intent of informing the reader and sharing challenges, best practices, and lessons learned. The articles should not be considered all inclusive....

### Reviews

*Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).*
