Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is no accounting for time when one is unconscious. And one's thoughts can't interpret the difference between the subconscious and the real world. Just as the foginess starts to clear, the unknown makes one's thoughts a blur of confusion. Such is the case with an auburn-haired, young lady, lying on a cold, stainless-steel table. Anthony Tony Thomas has one desire in life: to follow in the footsteps of his father and be a valued member of Chicago's Homicide Detective Squad. Two years after graduating at the top of his class from the police academy, his dream comes true. However, within moments of starting his new assignment, Tony quickly realizes that his peculiar new partner has a hidden past. When a string of murders begins to stump detectives, Tony takes it upon himself to connect the dots, even if those connections lead him to an unlikely culprit. To Tony's horror, he quickly realizes that those close to him are not shielded from the dangers that arise from the job. The Tip of the Iceberg's nail-biting suspense will keep you enthralled from beginning to end. This is not your typical who-done-it murder novel. Just when you think you have everything figured out, something else happens that moves you in another direction. Dr. Walter D. Dean.
