Quercus Publishing, United Kingdom, 2016. Paperback. Book Condition: New. 197 x 129 mm. Language: English . Brand New Book. A beautiful model's death uncovers an ugly conspiracy stretching all the way to Westminster in Rosie Gilmour's darkest case to date. When rags-to-riches Scots supermodel Bella Mason plunges to her death from the roof of a glitzy Madrid hotel, everyone assumes it was suicide. Except that one person saw exactly what happened to Bella that night, and she definitely didn't jump. But Millie Chambers has no one she can tell - alcoholic, depressed herself and now sectioned by her bullying politician husband, who would believe her? And that's not all Millie knows. Being close to the heart of Westminster power can lead to discovering some awful secrets. Back in Glasgow, Rosie's research into Bella's life leads to her brother, separated from her in care years before. Dan is now a homeless heroin addict and rent boy, but what he reveals about Bella's early life is electrifying: organised sexual abuse in care homes across Glasgow. Bella had tracked him down so that they could tell the world their story. And now she's dead. As Rosie's drive to expose the truth leads her closer to Millie and the shameful secrets she has kept for so many years, it becomes clear that what she's about to discover could prove fatal: a web of sexual abuse linking powerful figures across the nation, and the rot at the very heart of the British Establishment.
