Nepal: Transition To Democratic Republic State

By B.C. Uperati

2009. Hardcover. Book Condition: New. 252 Nepal is passing through a critical phase of political transformation. Since the royal coup of 2005; the Maoist ceasefire and April 2006 movement for democracy to April 2008 Constitutional Assembly, the country has witnessed a number of complex phases of political developments. The declaration of Nepal as a republican state, abolition of monarchy and the rise of the CPN (Maoist) party to the centre stage of politics are significant developments. The issues of framing a new constitution, federalism, inclusive democracy, minority rights, economic reforms, social reconstruction, etc. are significant after the formation of the Constituent Assembly. The new government of Nepal has to deal with these issues. Nepal's search for durable peace would rest on the amicable resolution of these problems and issues. This study is an attempt to understand the various dimensions of the process of consolidation of peace in Nepal. The study is divided into 6 chapters i.e., Democracy and Constitutionalism in Nepal; Prelude to the Constituent Assembly Elections; Electoral System and Election Management; Formation of the Constituent Assembly; Monarchy to Republican State : Abrogation of the Hereditary Kingship; Changing Paradigms of Nepali Politics : Issues, Challenges and Prospects. It is hoped...

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
