

Normal: Transsexual CEOs, Crossdressing Cops, and Hermaphrodites with Attitude

By Bloom, Amy

Random House, 2002. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: With the same acuity, humor, empathy, and fine writing that grace her prizewinning fiction, Amy Bloom now gives us a spectrum of the lives of men and women whose gender "is variegated rather than monochromatic or plainly colored." With Bloom we meet Lyle and his mother, Jessie, who recognized that her little girl was in fact a boy and used her life savings to help Lyle make the transition; on a Carnival cruise ship with a group of heterosexual crossdressers, we meet Peggy and her husband, "Melanie" Rudd; we meet Hale Hawbecker, "a regular, middle-of-the-road, white-bread guy" with a wife, kids, and a medical condition, the standard treatment for which would have changed his life and his gender. All over America, we meet the intersexed, a group of people larger and more familiar than most of us would imagine. By showing us the essential humanity in this infinite variety, Bloom allows us to see and hear people as they actually are, and not just as we imagine them to be.

Reviews

A high quality ebook along with the font employed was fascinating to read. It really is written in easy phrases rather than confusing. I am just easily can get a satisfaction of looking at a composed publication.

-- Isai Bradtke

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.
