It is just one of the most popular ebook. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

State University of New York Press, United States, 2016. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. For millions of Americans caregiving is the new normal. For Laura Katz Olson, a respected researcher of long-term care for the aging, *Elder Care Journey* chronicles the disruption of her world and how it is upended by the ever-increasing long-distance needs of her own mother. A healthy, Senior Olympics medal winner, Olson's mother is slowly and steadily incapacitated by Parkinson's disease and a gradual loss of vision. Thrust into a long-distance caregiving role, Olson finds her previous academic notions about assisting a frail parent increasingly at odds with the reality of the lived experience. In a narrative full of ah-ha! moments, tears, sighs, and outrage that will be familiar to many, Olson opens a window into the nursing home and home care industries that consume much in the way of taxpayer dollars, but often fail to deliver quality care. Olson's personal story vividly demonstrates not only the overwhelming bureaucratic barriers faced by care-dependent seniors but also their beleaguered adult children's attempts to ensure their parents health, safety, and well-being.
