Why another fast diet book? Fast diets or intermittent fasting are a weight loss sensation, a dieting revolution which has allowed millions of people to lose weight naturally, easily, quickly, safely and keep it off. But for some of us, things haven t been quite so simple. Some of us have found intermittent fasting difficult, unpleasant or we simply have not lost as much weight as we had hoped. So why read The Fast Diet Magic Book? If you tried 5:2 fasting but just didn t lose much weight If you had some success with intermittent fasting but found it very difficult If you need a way to cope better with the hunger If you wish your weight loss could be much faster while intermittent fasting If you suffered with headaches, ravenous hunger or low energy If you are just starting out and don t know which type of intermittent fasting to do .then you should read this book. There are plenty of weight loss books detailing the science behind intermittent fasting. This is not one of them. The Fast Diet Magic Book is written as a helper, a friend to guide you through the psychological side of fasting - to help you manage the hunger, the boredom, the weaker moments, the side-effects to keep your weight loss motivation high. If you are one of the very many people who doesn t seem to lose weight doing normal 5:2, this book will suggest various ways in which you may have been going wrong. And for those of you who have been doing everything right and still had little success with intermittent fasting, it will show...
