By Isabel Wolff

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, A Vintage Affair, Isabel Wolff, Do fairytale dresses bring fairytale endings? Every dress has a history, so does Phoebe. Phoebe always dreamt of opening her own vintage dress shop. She imagined every detail, from the Vivienne Westwood bustiers hanging next to satin gowns, to sequined cupcake dresses adorning the walls. At the launch of Village Vintage, Phoebe feels the tingle of excitement as customers snap up the fairytale dresses. Her dream has come true, but a secret from her past is casting a shadow over her new venture. Then one day she meets Therese, an elderly Frenchwoman with a collection to sell, apart from one piece that she won't part with. As Therese tells the story of the little blue coat, Phoebe feels a profound connection with her own life, one that will help her heal the pain of her past and allow her to love again.

### Reviews

*It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).*
