## NOTES FROM THE GARDEN

DOWNLOAD

Guardian Books. Hardback. Book Condition: new. BRAND NEW, Notes from the Garden, Ruth Petrie, This charming guide gathers together writings on all aspects of British gardening, from the nineteenth century plant hunters such as 'China' Wilson and the Veitches, who brought seeds and specimens from every corner of the world, to the designers such as Capability Brown and Gertrude Jekyll, who set their mark on gardening styles. In pieces written by the paper's stellar list of gardening correspondents - Vita Sackville-West, Penelope Hobhouse, Monty Don, Carol Klein, not to mention Christopher Lloyd, the grand old man of British gardening - it explores our dedication to the growing garden. And, with stories about the restoration of the Lost Gardens of Heligan, the building of the great glasshouses at Chatsworth, and the preservation work carried out at Kew, it paints a picture of how history can be unearthed through gardening and emphasizes how important it is to preserve our green-fingered heritage. Coming right up to the present day with pieces on the advances at the Eden project, "Notes on the Garden" is the perfect bedside companion for anyone who loves the feeling of soil between their fingers.
