THE ECONOMY OF ESTEEM: AN ESSAY ON CIVIL AND POLITICAL SOCIETY (PAPERBACK)

Oxford University Press, United Kingdom, 2006. Paperback. Book Condition: New. 230 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.However much people want esteem, it is an untradable commodity- there is no way that you can buy the good opinion of another or sell to others your good opinion of them. And yet esteem is allocated in society according to systematic determinants: people s performance, publicity, and presentation relative to others will help to fix how much esteem they enjoy and how much disesteem they avoid. In turn, rational individuals are bound to compete with one another, however tacitly, in the attempt to increase their chances of winning esteem and avoiding disesteem. And this competition shapes the environments in which they each pursue esteem, setting relevant comparators and benchmarks, and determining the cost that a person must bear for obtaining a given level of esteem. Hidden in the multifarious interactions and exchanges of social life, then, there is a quiet force at work - a force as silent and powerful as gravity - which molds the basic form of people s relationships and associations. This force was more or less routinely invoked in the writings of classical theorists like Aristotle and Plato, Locke and Montesquieu, Mandeville and Hume and Madison. Although Adam Smith himself gave it great credence, however, the rise of economics proper coincided with a sudden decline in the attention devoted to the economy of esteem. What had been a topic of compelling interest for earlier authors fell into relative neglect throughout the nineteenth and twentieth centuries. This book is designed to reverse the trend. It begins by outlining the psychology of esteem and the way the working of that psychology can give rise to an economy. It then shows how a variety...
