

Notes to My Children (Paperback)

By Frank Roseman

New Generation Publishing, United States, 2004. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is an instruction manual which, although written with the author's children in mind, can be applied in practice by anyone. It gives clear and concise guidelines and instructions on how to achieve high grades at school and then leads the person through to maturity, along the way introducing new theories and suggestions which may help them, if applied correctly and rigorously adhered to. The author also strongly takes the Government, and not necessarily the Government of the day, to task and boldly points out the anomalies in today's society, touching on the sensitive subjects of one-parent families, non-heterosexual relationships, and other such politically correct issues and concerns. Definitely an interesting read and a must for anyone who likes a structured and orderly lifestyle.
