Reviews

This created pdf is excellent. This is for anyone who statte that there had not been a really worth reading through. Your life span will probably be transform as soon as you total looking over this publication.

(Prof. Esteban Wuckert)

TINY WHITTLING

Chicago Review Press. Paperback. Book Condition: new. BRAND NEW, Tiny Whittling, Steve Tomashek, A hip beginner's guide to one of the world's most relaxing, inexpensive, and rewarding hobbies, this handbook puts a modern spin on an ancient craft by teaching readers how to whittle whimsical miniature creatures. With just a sharp knife, a little practice, and the tiniest block of wood, anyone can make a charming carving in less than an hour. Led by an award-winning carver and artist, this manual takes readers through the basics, demonstrating how to carve root vegetables in order to minimize the danger of accidents; readers will create a simple turnip bear or a carrot mouse. As confidence builds, readers graduate to wood, and work through step-by-step instructions accompanied by photographs, enjoying increasingly polished results as they refine their technique. It includes easy-to-use templates and sources for tools and materials, readers will learn how to sand, paint, and decorate their tiny carvings, eventually creating a fox, an owl, a horse, a hen, and even a forest or farmyard setting for their miniature menagerie.
