Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.
 (Prof. Salvador Lynch)

CASSIDYS RUN

Random House. Paperback. Book Condition: New. Paperback. 228 pages. Dimensions: 8.8in. x 6.3in. x 0.6in. Cassidys Run is the riveting story of one of the best-kept secrets of the Cold Waran espionage operation mounted by Washington against the Soviet Union that ran for twenty-three years. At the highest levels of the government, its code name was Operation shocker. Lured by a double agent working for the United States, ten Russian spies, including a professor at the University of Minnesota, his wife, and a classic sleeper spy in New York City, were sent by Moscow to penetrate Americas secrets. Two FBI agents were killed, and secret formulas were passed to the Russians in a dangerous ploy that could have spurred Moscow to create the worlds most powerful nerve gas. Cassidys Run tells this extraordinary true story for the first time, following a trail that leads from Washington to Moscow, with detours to Florida, Minnesota, and Mexico. Based on documents secret until now and scores of interviews in the United States and Russia, the book reveals that: more than 4, 500 pages of classified documents, including U. S. nerve gas formulas, were passed to the Soviet Union in exchange for hundreds of thousands of dollarsan Armageddon code, a telephone call to a number in New York City, was to alert the sleeper spy to an impending nuclear attacka warning he would transmit to the Soviets by radio signal from atop a rock in Central Parktwo FBI agents were killed when their plane crashed during surveillance of one of the Soviet spies as he headed for the Canadian bordersecret drops for microdots were set up by Moscow from New York to Florida to WashingtonMore than a cloak-and-dagger tale, Cassidys Run is the spellbinding story of one ordinary man, Sergeant Joe Cassidy, not trained as...
