CASA CREACION, United States, 2011. Paperback. Book Condition: New. 168 x 104 mm. Language: Spanish . Brand New Book. Some well-meaning Christian leaders have made mistakes that have caused devastating effects in either the destruction of marriages, families, careers and the Body of Christ in general. These pages identify twelve transgresiones that threaten to hinder and obstruct the sanctity of the Christian relationship with God. We ll take a look at how giants of the Bible learned great lessons of life. There were twelve men who loved God, but in their humanity and ignorance, each one made spiritual mistakes that hindered their route. Some repented and were restored in time. This book confronts errors like: charisma without character, the fear of man, the unholy wrath, when weakness becomes sin, to serve God reluctantly and other violations, and points the way to spiritual healing we all crave.
