Brand New Book ***** Print on Demand *****.Excerpt from Select List of References on Wool: With Special Reference to the Tariff This list was compiled to meet the needs of the Committee on Ways Means of the House of Representatives. It is now printed to meet the demand for copies roused by the widespread interest in the revision of Schedule K, Wool. In preparing the material for the press the references have been arranged under three main heads, Wool trade and economics, Sheep raising, and Wool manufacture, with separate sections for articles in periodicals, articles in the United States consular reports, and for recent speeches in Congress. A very full subject index has been provided which it is hoped will add materially to the value of the list as a key to the literature of wool in the Library of Congress.
