AUNT MARIAN S ABC BOOK (PAPERBACK)

America Star Books, United States, 2010. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is for anyone wants to learn how to read simple words; a visual aid for some child with a speech problem or any disability for reading. I have one child who is just turning nineteen. I wanted to share how Jesus can help you even when you are by yourself. I worked in a nursing home the same one for twenty years but continued as a health care aide for thirty years altogether. I am now disabled because of a back injury, which happened while lifting a patient at work. My mind went into overdrive, so I started to write down my feelings about things. When my son was in Kindergarten, I was told he would never read nor write. That is why I want to write and illustrate books so they can learn. If you notice a child with a speech learning disability, please take your child for speech therapy. My son finally learned in fourth grade to read. When I came out of that meeting. I said to myself, That is not going to happen not knowing how to read nor write! I thank the many beautiful and caring persons that helped my boy, and through a lot of believing and standing on God s promises, power through prayer does really change things! God really did change things for us, and He will do it for you, too. Children are truly a blessing from The Lord!.
