To end their warmongering, a rogue pharaoh of Ancient Egypt sealed away their powers into a single, mystical jewel. Forgotten by history, the jewel passed quietly through the ages, eventually coming into the hands of a wealthy Manhattan nightclub owner, known only as The Mistress. In order to protect the secrets of the jewel, she hires two unlikely partners; a vampire and a young huntress. But as her reluctant new employees soon discover, there is more to The Mistress plans than meets the eye.

### Reviews

*An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.*

*It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).*
